

2013  
Huron Valley Area Intergroup  
Office Survey

Dear Recovering Community:  
Your responses to the following  
Survey questions are vital to the  
continuous improvement of H.V.A.I.'s  
service to you.  
Your input will be compiled and the  
results summarized to help us  
prioritize services in the future.

**A.A. is not immune to the current economic conditions. Like the G.S.O. in New York, we have seen a decline in contributions & an increase in cost. We are considering ways to cover our shortfall each month. If you have suggestions as to how we can better meet the needs of the recovery community and increase revenue, please make suggestions in the comment section of column 3.**

It exists to aid the groups in their common purpose of carrying the A.A. message to the alcoholic who still suffers.

Your intergroup office is an ideal location for those seeking information about A.A. thus A. A.'s relations with the public and professionals in the alcoholism field are often handled through t the cooperation of the area, district and intergroup committees.
